

# Urban Agenda Partnership on Circular Economy – Update

## 07.12.2020

Håkon Sandven Jentoft  
Coordinator Urban Agenda Partnership on Circular  
Economy

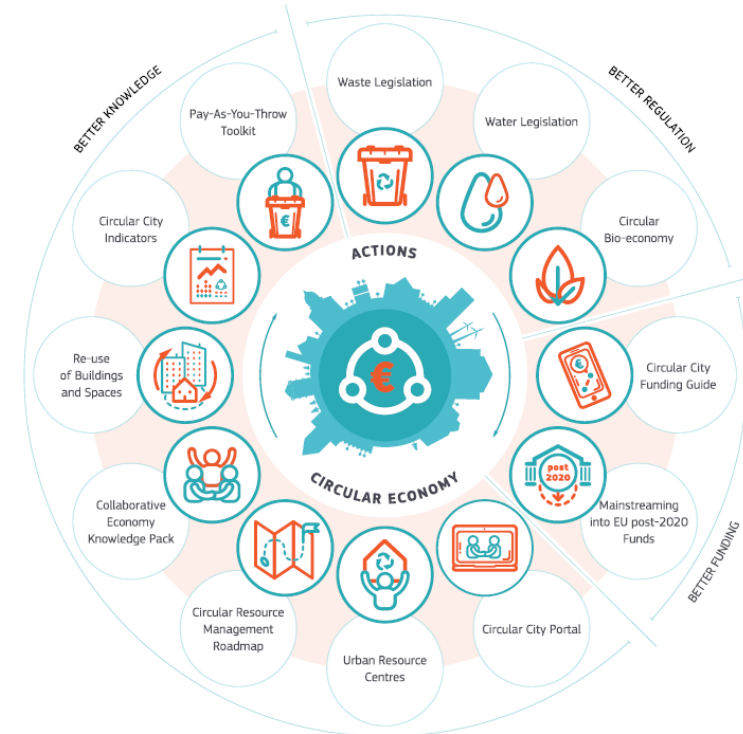

The Urban Agenda Partnership on Circular Economy aims to stimulate the re-use, repair, refurbishment and recycling of existing materials and products to promote new growth and job opportunities. To that end, the Partnership is working on implementing twelve actions aiming to address some key elements of the circular economy in cities.

# 12 Actions to promote circular economy in cities

3 Better Regulation

2 Better Funding

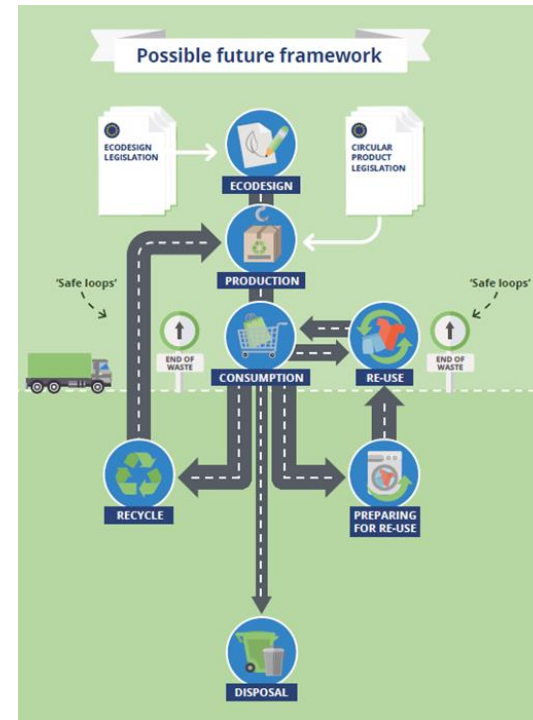

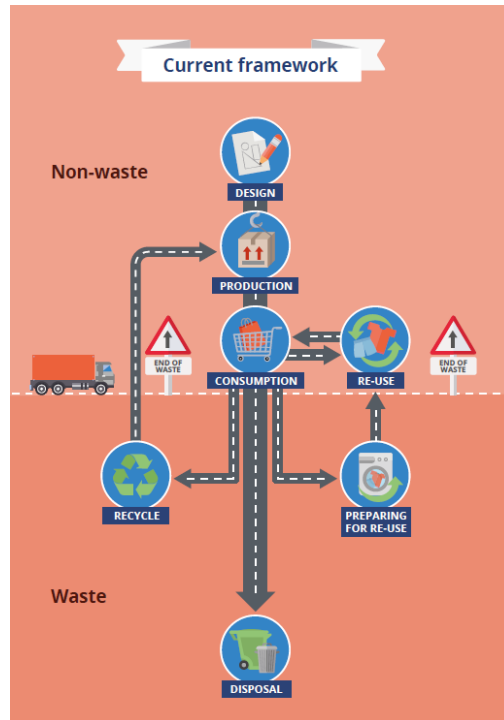

7 Better Knowledge

# Shift from waste- to resource management

# From a risk based to a value oriented legal and policy framework
